It's Not Just Any Room...

Our guest chambers work twice as hard as others. The dressing room and lounge are separated by a sliding privacy door to provide a truly unique guest experience. Combined with our patented bed, the perfect makeup vanity, Smart Closets and rain shower heads, you'll wonder why all hotels don't do this.

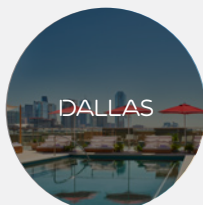

And We're Not Just Any Hotel

Commons Club Bar & Restaurant will delight you with locally sourced food and drinks, Highyard will entertain you with live music and immersive events, The Funny Library will perk you up with the finest coffee and cocktails.
